This website uses Google Analytics, a web analysis service from Google Inc. ("Google"). Google Analytics uses so-called "cookies", text files that are stored on by the browser and that enable your use of the website to be analyzed. The information generated by the cookie about your use of this website is usually transferred to a Google server in the USA and stored there. However, if IP anonymization is activated on this website, your IP address will be shortened beforehand by Google within member states of the European Union or in other contracting states of the Agreement on the European Economic Area. The full IP address is only transmitted to a Google server in the USA and shortened there in exceptional cases. On behalf of the operator of this website, Google will use this information to evaluate your use of the website, to compile reports on website activity and to provide the website operator with other services relating to website activity and internet usage. The IP address transmitted by your browser as part of Google Analytics will not be merged with other Google data. You can prevent the storage of cookies by setting your browser software accordingly; however, we would like to point out that in this case you may not be able to use all functions of this website to their full extent. You can also prevent Google from collecting the data generated by the cookie and relating to your use of the website (including your IP address) and from processing this data by Google by downloading the browser plug-in available under the following link and install: <http://tools.google.com/dlpage/gaoptout?hl=de>

You can find more information on terms of use and data protection at <https://marketingplatform.google.com/about/analytics/terms/us/>. We would like to point out that Google Analytics uses the "anonymizeIP ()" extension on this website so that the IP addresses are only further processed in abbreviated form in order to exclude direct personal reference.
